Bow Bazar, Kolkata

REMINISCENCES 2018-19

As the school year has come to a close, we have much to celebrate with many happy memories. Together we have learnt much and shared experiences that will remain with us in the years to come.

We in Loreto Day School, Bowbazar focus on enhancing the student's ability to think critically and creatively, and to go beyond core academics. With strong values, faith in the Almighty and a set of wings, our students have achieved great heights.

So I take this opportunity to congratulate them for striving hard.

Special thanks to our staff who continue to make a huge difference to the students with their commitment to provide education for joy.

My sincerest gratitude to all parents for being active in the partnership between the home and the school.

Mary Ward says, "Women in time to come will do much."

May the good Lord bless us all to overcome every challenge and carry forward the vision of our Foundress Mary Ward.
